

## 2018 Hurst August Show

### Guidance and Instructions for Class 137 - Recording 30 seconds of Music

You must enter the class following the instructions on the entry form in the schedule or downloaded from the website.

Then, please, record your music in MP3 format and bring it on a USB memory stick to the Home Industries Hall between 7:00am and 10:30am on Saturday 18 August.

It's important that you precede your recording by announcing the title of your music, but not your name, in the same file as your music. Also make sure that your memory stick is clearly marked with your name by either placing it in a sealed envelope with your name written on the outside or some other label that will stay firmly attached to the stick.

Your MP3 file will be copied onto a player and broadcast at the show and also may be available to all on our website. While you retain the copyright to the music a condition of entry is that you give the Society the right, free of charge, to do this.

Your memory stick will be available for collection at the end of the Show.
